

This is an educational letter sent to all Kaiser Permanente Medicare health plan members. It isn't specific to your health care circumstances or any treatment you may receive.

Dear Member,

This information is being provided to all Kaiser Permanente Medicare health plan members for educational purposes only about opioid pain medicines. Opioid pain medicines such as Oxycodone (Percocet®), Hydrocodone (Norco®), Fentanyl, and Morphine are strong medications. They carry serious risks of addiction and overdose. As your health plan provider, we want you to be informed about the potential risks of using opioids.

What are opioid pain medicines?

Opioid medicines can be used to help treat moderate to severe pain when other options have not worked. They may not improve all your pain and over time opioids may also change the way your brain handles pain signals. This may lead to even more pain and/or other health symptoms like change in mood or sleep and less ability to perform daily activities. For these reasons, long-term use of opioids should be monitored closely by a doctor.

What are the side effects and long-term risks of taking opioids?

- **Tolerance** – Over time, opioids are less effective, with people needing higher doses to get the same level of pain relief.
- **Physical dependence** – Withdrawal symptoms can happen when either suddenly stopping the medicine or lowering the dose by a large amount.
- **Addiction** – You may not be able to control your opioid use.
- **Physical side effects** – Opioids can cause nausea, vomiting, and constipation.
- **Drowsiness** – Opioids can affect judgment and decision making. These side effects can cause falls and motor vehicle accidents with serious injuries.
- **Problems thinking clearly, low energy, and depression** – These side effects can impact a person's ability to work and do daily activities.
- **Sleep apnea or impaired breathing while sleeping** – Opioids may cause sleep problems that can cause daytime fatigue, impair thinking, and in some cases slow or even stop your breathing with inappropriate use.
- **Low hormone levels** – Long-term opioid use may lead to low sex drive, low energy, depressed mood, slower recovery from muscle injuries, and thinning of the bones.
- **Accidental overdose and death** – These risks increase the longer a person takes opioids.

How do I safely take opioid medicines?

- **Follow directions carefully.** Always follow your doctor's directions and never share your medicines with others.
- **Be cautious.** Do not take your medicines more often than prescribed. Talk to your doctor or pharmacist before you take any extra doses.
- **Stay away from dangerous drug interactions.** Talk to your doctor or pharmacist about all the medicines you take. Mixing opioids with any of the following can greatly add to the risk of overdose: **alcohol, sleeping pills** (such as zolpidem [Ambien®] or zaleplon [Sonata®]), **anxiety drugs** (such as diazepam [Valium®], alprazolam [Xanax®], and lorazepam [Ativan®]), and **muscle relaxers** (such as carisoprodol [Soma®], baclofen [Lioresal®], and others).

- **Talk to your doctor about alternative pain relievers.** If your pain is under control, ask your doctor if you should take them less often or change to other pain relief options.
- **Naloxone: Ask your doctor or pharmacist about a naloxone rescue kit.** Opioids can sometimes slow or even stop your breathing. Naloxone is a medicine that can undo the effect of opioids in your body. Naloxone is safe and can save your life. Talk to your doctor or pharmacist to see if it should be prescribed to you. Having naloxone on hand is recommended for all patients taking opioids regularly.
- **Safe storage of opioids.** Keep your opioid medicines in their original package and with the original labels. Store them in a place that is out of reach of children and cannot be easily accessed by others (e.g., locked cabinet).
- **Follow safe disposal procedures.** For safety reasons, unused medicines should be promptly disposed of by depositing medication into a collection kiosk available at many Kaiser Permanente pharmacies, using an approved send-away envelope, or at a "Drug Take Back Day" event. Send-away envelopes are available for members at select Kaiser Permanente pharmacies.

What alternative pain management options should I consider?

Talk to your doctor about ways to manage your pain that do not involve opioids and what is most appropriate for you. Some of these options may work better and have fewer risks and side effects.

Depending on the type of pain you are experiencing, options may include:

- Over-the-counter medications such as ibuprofen (Motrin®), acetaminophen (Tylenol®), naproxen (Aleve®), or topicals like capsaicin, diclofenac gel (Voltaren®), or trolamine salicylate (Aspercreme®).
- Prescription-strength anti-inflammatory medications such as meloxicam (Mobic®), diclofenac (Voltaren®), and etodolac (Lodine®). Long-term use is not recommended for older adults due to risk of side effects.
- Some prescription non-opioid medications that target pain-producing nerves, such as gabapentin (Neurontin®) and pregabalin (Lyrica®).
- Chiropractor services, physical and other therapies, heat or cold compresses, exercise, acupuncture, and cognitive behavioral therapy.

Your doctor may recommend treatment options that your plan does not cover. If this happens, contact Member Services at the phone number on the back of your ID card or visit the CMS web page that describes coverage under Medicare Parts A and B to understand your options

(<https://www.medicare.gov/coverage/pain-management>).

What Opioid Treatment Services are available?

Medicare under Part B (medical insurance) covers Opioid Treatment Programs (OTPs) for opioid use disorder (OUD) treatment. For information on your *plan's benefits* related to treatment for prescription drug abuse, including medication-assisted treatment, mental health, and counseling services, please see your **Evidence of Coverage** or call Member Services at the phone number on the back of your ID card.

We're here for you

If you have any questions about this information provided in this insert or you would like to find out more about ways to manage pain, please call Member Services at the phone number on the back of your ID card.

Sincerely,
Kaiser Permanente

Dear Member,

Thank you for your continued membership in **Kaiser Permanente Senior Advantage** (HMO).

We are providing important information about your Medicare health care and prescription drug coverage effective January 1, 2024. Included are the following documents with important information for you.

1. Please start by reading the **Annual Notice of Changes and Evidence of Coverage Amendment for 2024**. It gives you a summary of changes we are making to your benefits and costs effective January 1, 2024, unless otherwise noted. This notice only describes changes that our plan is making (or as required by Medicare for Part D plans).
 - Please review this notice within a few days of receiving it to see how the changes might affect you. It also amends your current **Evidence of Coverage**, effective January 1, 2024. We will send you the **Evidence of Coverage** for your group's 2024 contract period shortly after your group renews its contract in 2024. Please be aware that your group can make changes upon renewal or at other times during its contract period. If you have questions about the benefits your group will offer during its 2024 contract period, please contact your group's benefits administrator.
 - If you decide to stay with our plan, you do not have to fill out any paperwork unless you are instructed otherwise by your group. You will automatically stay enrolled as a member of our plan.
 - If you decide to leave our plan, you should check with your group's benefits administrator before you switch to a different plan. Your group determines eligibility for enrollment under its group plan, including the available plans, if any, and the times when you can switch to a different plan offered by your group. Please contact your group's benefits administrator for details.
2. A notice called **Plan information** explains how to get information about provider locations or our formulary, request a print copy of our **Formulary/Drug List** or **Provider Directory**, or view them online.

If you have questions, we're here to help. Please call Member Services toll free at **1-800-443-0815** (TTY users call **711**). Hours are seven days a week, 8 a.m. to 8 p.m. Member Services also has free language interpreter services available for non-English speakers. You can also visit our website at **kp.org**.

We value your membership and hope to continue to serve you next year.

Sincerely,

Kaiser Permanente

Kaiser Permanente is an HMO plan with a Medicare contract. Enrollment in Kaiser Permanente depends on contract renewal.

2024 Annual Notice of Changes and Evidence of Coverage Amendment for Group Members

You are currently enrolled as a member of Kaiser Permanente Senior Advantage. Next year, there will be some changes to our plan's costs and benefits. This document tells about some of the changes effective January 1, 2024, unless otherwise noted. It also amends your current **Evidence of Coverage**.

2024 changes

We're sending you this **Annual Notice of Changes and Evidence of Coverage Amendment** to tell you about the changes our plan is making effective January 1, 2024 (unless otherwise noted), for all Kaiser Permanente Senior Advantage group members, in accord with the Centers for Medicare & Medicaid Services (CMS) requirements. This notice only describes changes required by our plan (or Medicare for Part D prescription drug plans). This notice doesn't describe any other changes; for example, changes made at the request of a group. Please contact your group's benefits administrator for more information.

What to do now

1. **Ask:** Which changes apply to you?

- Check the changes to our benefits and costs to see if they affect you.
 - ◆ Review the changes to medical care costs (doctor, hospital).
 - ◆ Review the changes to our drug coverage, including authorization requirements and costs.
 - ◆ Think about how much you will spend on premiums, deductibles, and cost-sharing.

- Check the changes in the 2024 Drug List to make sure the drugs you currently take are still covered.
- Check to see if your primary care doctors, specialists, hospitals, and other providers, including pharmacies, will be in our network next year.
- Think about whether you are happy with our plan.

If you decide to change plans in 2024:

- Your group determines eligibility for enrollment under its group plan, including the plans that are available through your group and the times when you can switch to another plan offered by your group.
- You must check with your group's benefits administrator before you change your plan. This is important because you may lose benefits you currently receive under your employer or retiree group coverage if you switch plans.

Section 1 — Changes to benefits and costs for next year

Section 1.1 Changes to the plan premium

Your group will notify you about any change in your group's premium if the change affects the amount you will be expected to pay. If you have any questions about your contribution toward your group's premium, please contact your group's benefits administrator. You must continue to pay your Medicare premiums, and if you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.

- Your contribution to your group's premium may be more if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as "creditable coverage") for 63 days or more, if you enroll in Medicare prescription drug coverage in the future.
- Your contribution to your group's premium may be less if you are receiving "Extra Help" with your prescription drug costs.

Section 1.2 – Changes to your maximum out-of-pocket amount

Medicare requires all health plans to limit how much you pay out-of-pocket for the year. This limit is called the maximum out-of-pocket amount. Once you reach this amount, you generally pay nothing for covered Part A and Part B services (and other health care services not covered by Medicare as described in the **Evidence of Coverage**) for the rest of the year.

Section 1.3 – Changes to the provider and pharmacy networks

Updated directories are located on our website at kp.org/directory. You may also call Member Services for updated provider and/or pharmacy information or to ask us to mail you a directory, which we will mail within three business days. Note: 2024 plan documents are posted on our website early in October 2023 in accord with Medicare guidelines.

There are changes to our network of providers for next year. **Please review the 2024 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

There are changes to our network of pharmacies for next year. **Please review the 2024 Pharmacy Directory to see which pharmacies are in our network.**

It is important that you know that we may make changes to the hospitals, doctors, and specialists (providers), and pharmacies that are part of your plan during the year. If a midyear change in our providers affects you, please contact Member Services so we may assist.

Section 1.4 – Changes to benefits and costs for medical services

We are making changes to costs and benefits for certain medical services next year. The information below describes these changes. Your group may make additional changes that are not reflected in this document.

Cost	2023 (this year)	2024 (next year)
<p>Home-delivered meals* (This change does NOT apply to all members.)</p> <p>This change applies to you if your plan includes meals delivered to your home immediately following discharge from a network hospital as an inpatient due to congestive heart failure. Note: Please check your 2024 Evidence of Coverage when you receive it, to see if this change applies to you.</p>	<p>Covered up to two meals per day in a consecutive four-week period, once per calendar year. Referral required.</p>	<p>Not covered.</p>
<p>Fitness benefit (the Silver&Fit® Healthy Aging and Exercise Program) (This change does NOT apply to all members.)</p> <p>This change applies to you if your plan includes the Silver&Fit Healthy Aging and Exercise Program. Note: Please check your 2024 Evidence of Coverage when you receive it, to see if this change applies to you.</p>	<p>You pay \$0 and receive the following:</p> <ul style="list-style-type: none"> • A standard fitness center membership. • One home fitness kit per calendar year to exercise at home (you can also choose a kit that includes an activity tracker). 	<p>You pay \$0 and receive the following:</p> <ul style="list-style-type: none"> • A standard fitness center membership. • One home fitness kit per calendar year to exercise at home (you can also choose a kit that includes an activity tracker). <p>You will also have the option to access the Silver&Fit Premium fitness network (an expanded network of select fitness centers) at additional costs, which may include initiation and nonrefundable membership fees.</p>

Cost	2023 (this year)	2024 (next year)
<p>*This change will be effective upon your group's contract renewal date. This means that the change is effective January 1, 2024, if your group's renewal date is January 1. Otherwise, this change will be effective sometime between February 1, 2024, and December 1, 2024, depending on your group's renewal date. Your group's benefits administrator can tell you when your group's contract renews.</p>		

Section 1.5 – Changes to Part D prescription drug coverage

Changes to our Drug List

Our list of covered drugs is called a formulary, or "Drug List." A copy of our "Drug List" is provided electronically at kp.org/seniorrx.

We made changes to our "Drug List," which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier. **Review the "Drug List" to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in our "Drug List" are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online "Drug List" to provide the most up-to-date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review your **Evidence of Coverage** and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception, and/or working to find a new drug. You can also contact Member Services for more information.

Changes to prescription drug costs

Note: If you are in a program that helps pay for your drugs ("Extra Help"), the information about costs for Part D prescription drugs does not apply to you. We sent you a separate document, called the **"Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs"** (also called the Low-Income Subsidy Rider or the LIS Rider), which tells you about your drug costs. If you receive "Extra Help" and you haven't received this rider by September 30, 2023, please call Member Services and ask for the LIS Rider.

There are four **drug payment stages**. The information below shows the changes to the first two stages—the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages—the Coverage Gap Stage if your group plan includes a Coverage Gap or the Catastrophic Coverage Stage if your group plan does not include a Coverage Gap.)

Changes to the Deductible Stage

Stage	2023 (this year)	2024 (next year)
Stage 1: Yearly Deductible Stage	<p>If your group plan does not include a Yearly Deductible Stage, this payment stage does not apply to you.</p> <p>If your group plan includes a Yearly Deductible Stage, you stay in this stage until you reach your deductible amount.</p>	<p>If your group plan does not include a Yearly Deductible Stage, this payment stage does not apply to you.</p> <p>If your group plan includes a Yearly Deductible Stage, you stay in this stage until you reach your deductible amount.</p>

Changes to your cost-sharing in the Initial Coverage Stage

Stage	2023 (this year)	2024 (next year)
<p>Stage 2: Initial Coverage Stage</p> <p>During this stage, the plan pays its share of the cost of your drugs, and you pay your share of the cost.</p> <p>We changed the tier for some of the drugs on our "Drug List." To see if your drugs will be in a different tier, look them up on the "Drug List."</p> <p>Most adult Part D vaccines are covered at no cost to you.</p>	<p>You won't pay more than \$35 for a one-month supply of each covered insulin product.</p> <p>If your group plan includes a Coverage Gap, once your total drug costs have reached \$4,660, you will move to the next stage (the Coverage Gap Stage). If your group plan does not include a Coverage Gap, once you have paid \$7,400 out of pocket for Part D drugs, you will move to the next stage (the Catastrophic Coverage Stage).</p>	<p>You won't pay more than \$35 for a one-month supply of each covered insulin product.</p> <p>If your group plan includes a Coverage Gap, once your total drug costs have reached \$5,030, you will move to the next stage (the Coverage Gap Stage). If your group plan does not include a Coverage Gap, once you have paid \$8,000 out of pocket for Part D drugs, you will move to the next stage (the Catastrophic Coverage Stage).</p>

Changes to the Coverage Gap (if your plan includes a Coverage Gap) and Catastrophic Coverage Stages

The other two drug coverage stages—the Coverage Gap Stage and the Catastrophic Coverage Stage—are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.**

Beginning in 2024, if you reach the Catastrophic Coverage Stage, you pay nothing for covered Part D drugs.

For specific information about your costs in these stages, look in your **Evidence of Coverage**.

Section 2 — Administrative changes

Description	2023 (this year)	2024 (next year)
<p>Term of Evidence of Coverage The "Term of the Evidence of Coverage" section in your Evidence of Coverage is amended as shown in the 2024 column.</p>	<p>If your group renews its Agreement with us on January 1st, the term of your current Evidence of Coverage is revised to be in effect for the months in which you are enrolled in Senior Advantage between January 1, 2023, and December 31, 2023, unless amended. If your group's Agreement renews at a later date in 2023, the term of your current Evidence of Coverage is revised to be in effect for the months in which you are enrolled in Senior Advantage during that contract period, unless amended.</p>	<p>If your group renews its Agreement with us on January 1st, the term of your current Evidence of Coverage is revised to be in effect for the months in which you are enrolled in Senior Advantage between January 1, 2024, and December 31, 2024, unless amended. If your group's Agreement renews at a later date in 2024, the term of your current Evidence of Coverage is revised to be in effect for the months in which you are enrolled in Senior Advantage during that contract period, unless amended.</p>
<p>Home-delivered meals (This change does NOT apply to all members.) This change applies to you if your plan includes meals delivered to your home immediately following discharge from a network hospital or skilled nursing facility as an inpatient, up to three meals per day in a consecutive four-week period, once per calendar year. Note: Please check your 2024 Evidence of Coverage when you receive it, to see if this change applies to you.</p>	<p>Referral required.</p>	<p>Referral not required.</p>

Section 3 — Deciding which plan to choose

Section 3.1 – If you want to stay in our plan

Your group determines eligibility for enrollment under its group plan, including the plans that are available through your group and the times when you can switch to another plan offered by your group.

Section 3.2 – If you want to change plans

We hope to keep you as a member next year, but if you want to change, you must check with your group's benefits administrator before you change your plan. This is important because you may lose benefits you currently receive under your employer or retiree group coverage if you switch plans.

Section 4 — Programs that offer free counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In California, the SHIP is called the Health Insurance Counseling and Advocacy Program (HICAP).

It is a state program that gets money from the federal government to give free local health insurance counseling to people with Medicare. The Health Insurance Counseling and Advocacy Program counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call the Health Insurance Counseling and Advocacy Program at **1-800-434-0222** (TTY users should call **711**).

You can learn more about the Health Insurance Counseling and Advocacy Program by visiting their website (www.aging.ca.gov/HICAP/).

Section 5 — Programs that help pay for prescription drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **"Extra Help" from Medicare.** People with limited incomes may qualify for "Extra Help" to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs, including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. To see if you qualify, call:
 - ◆ **1-800-MEDICARE (1-800-633-4227).** TTY users should call **1-877-486-2048**, 24 hours a day/7 days a week;

- ◆ The Social Security office at **1-800-772-1213** between 8 a.m. and 7 p.m., Monday through Friday, for a representative. Automated messages are available 24 hours a day. TTY users should call **1-800-325-0778**; or
- ◆ Your state Medicaid office (applications).
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of state residence and HIV status, low income as defined by the state, and uninsured/underinsured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the **California AIDS Drug Assistance Program (ADAP)**. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call the ADAP call center at **1-844-421-7050** between 8 a.m. and 5 p.m., Monday through Friday (excluding holidays).

Section 6 — Questions?

Section 6.1 – Getting help from our plan

Questions? We're here to help. Please call Member Services at **1-800-443-0815**. (TTY only, call **711**.) We are available for phone calls 7 days a week, 8 a.m. to 8 p.m. Calls to these numbers are free.

Read your 2024 Evidence of Coverage (it has details about next year's benefits and costs)

This **Annual Notice of Changes and Evidence of Coverage Amendment** gives you a summary of some changes in your benefits and costs for 2024 that our plan is making and it amends your current **Evidence of Coverage**. We will send you the **Evidence of Coverage** for your group's 2024 contract period shortly after your group renews its contract in 2024. Please keep in mind that groups can make changes to your group plan at any time.

Visit our website

You can also visit our website at **kp.org**. As a reminder, our website has the most up-to-date information about our provider network (**Provider Directory**) and our list of covered drugs (**Formulary/Drug List**). Note: 2024 plan documents are posted on our website early in October 2023 in accord with Medicare guidelines.

Section 6.2 – Getting help from Medicare

To get information directly from Medicare:

- **Call 1-800-MEDICARE (1-800-633-4227)**
 - ◆ You can call **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.
- **Visit the Medicare website**
 - ◆ Visit the Medicare website (**www.medicare.gov**). It has information about cost, coverage, and quality star ratings to help you compare Medicare health plans in your area. To view the information about plans, go to **www.medicare.gov/plan-compare**.
- **Read Medicare & You 2024**
 - ◆ Read the **Medicare & You 2024** handbook. Every fall, this document is mailed to people with Medicare. It has a summary of Medicare benefits, rights and protections, and answers to the most frequently asked questions about Medicare. If you don't have a copy of this document, you can get it at the Medicare website (**www.medicare.gov**) or by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.
