Executive Director's Message

Ever since the *Great Resignation*, I've been changing my expectations for customer service at restaurants, grocery stores, coffee shops, clothing stores, banks—everywhere. I sometimes bring a book to read while I wait because they might be short-staffed, and I expect that my server may not know everything on the menu because they are still getting trained.

The service industry is not alone. Our healthcare industry is also experiencing a staffing shortage of skilled medical professionals who could treat our needs. Before the pandemic, I was able to call my Primary Care Physician's (PCP) office and make an appointment to see them in the next two to three weeks. Now, I get directed to Urgent Care, if warranted, or wait more than a few weeks to get an appointment. Many doctors are not accepting new patients, because their practices are full and they want to maintain the quality of care for their existing patients. If you're looking for a new Primary Care Physician, it can take up to six months to get an appointment for a new patient visit.

In this post-pandemic world, we need a new strategy to manage our health. We must become *Proactive Patients*. Proactive Patients work with their doctor's front desk staff

to understand their scheduling procedure. Some offices limit scheduling appointments to one or two months out. Other offices won't let you schedule your annual wellness exam until a full 12 months have passed. Make friends with the front desk team and figure out when you should call or go online to schedule an appointment, then put a reminder on your calendar.

Proactive Patients plan ahead like they would for a birthday party or vacation, so they can get the best available dates and times that work with their schedule. Whether your department has a busy season, or your child has their school and break schedule, you're always working around a schedule. Even retirees plan their trips around their children's or grandchildren's schedules or based on weather, special events, or the season. Advanced planning for your healthcare appointments is key. Couple that with a healthy dose of flexibility and patience and you've got a winning strategy to maximize your benefits as a *Proactive Patient*. Your health and your family's health are worth the extra effort.

I apply this strategy to all my customer service encounters. When I call customer service, I write down my reason and questions first. Then I make good use of my time on hold by doing something productive like folding laundry or baking cookies. A little planning and a shift in expectations can make a world of difference.

Be well,
Abbie Yant, RN, MA

To be eligible for health coverage, a child must be under the age of 26 and one of the following:

1. Natural born child of the enrolled member,
2. Legally adopted child of, or a child placed for adoption with the enrolled member, or

Acceptable documentation may include current federal tax returns in addition to other documentation that demonstrates cohabitation or financial interdependency. Enrollment of a dependent who does not meet the plan’s eligibility requirements as stated in SFHSS Rules will be treated as an intentional misrepresentation of a material fact, or fraud. Temporary School-Term Biweekly employees include but are not limited to:

- Clerical Workers
- Paraeducators
- Security Aides

If you are a Temporary School-Term Biweekly employee, coverage will end on the last day of the pay period in which your employment is concluded.

The determination of eligibility is made by the SFUSD Benefits Office.

Options for Maintaining Coverage

Covered California: The state health insurance exchange, created under the federal Patient Protection and Affordable Care Act, allows you to compare and shop for health insurance. In some cases, you may qualify for Medi-Cal, tax credits and other assistance to make health insurance more affordable. Call **(888) 975-1142** or visit [coveredca.com](https://www.coveredca.com).

COBRA: The federal Consolidated Omnibus Budget Reconciliation Act (COBRA), enacted in 1986, allows employees and their covered dependents to elect temporary extension of healthcare coverage in certain instances where coverage would end. The COBRA administrator will notify you of the opportunity to elect COBRA coverage. You have **60 days** from the notification date to complete COBRA enrollment. With COBRA you pay the full cost of premiums.

Individual Coverage: You may be able to purchase individual health coverage from your healthcare plan or other insurers. Contact plans directly for details and costs. All employees and dependents covered under an SFHSS-administered medical plan are entitled to a certificate showing evidence of prior health coverage.

Rehired in the Fall?

If you are hired in Fall with an eligible SFUSD assignment, you must re-enroll for healthcare benefits through SFHSS and the SFUSD Benefits Office **within 30 calendar days** of your rehire date.

Medical Plan Options

SFHSS offers a variety of medical plan options to allow you to select the plan that provides the right coverage at the right cost for you and your covered family members to remain healthy and productive. SFHSS offers four Health Maintenance Organization (HMO) plans and one Preferred Provider Organization (PPO) plan.

Health Maintenance Organization (HMO)

An HMO is a medical plan that offers benefits through a network of participating physicians, hospitals and other healthcare providers working closely together to help coordinate your care. You select a Primary Care Physician (PCP) who will coordinate all non-emergency care and services including access to certain specialists, programs and treatments that are in the same medical group or network. You must live or work in a ZIP code serviced by the plan to enroll.

Under these plans, there is no plan year deductible before accessing your benefits. Most services are available for a fixed dollar amount known as a “co-payment”.

SFHSS offers the following HMO medical plans:

- **Health Net CanopyCare HMO:**

A narrow network plan that provides care through a small number of local accountable care organizations (ACOs), a network of doctors and hospitals that share responsibility for providing care to you and your covered dependents. Includes access to their "Alliance Referral Program", which provides members with access to specialists from all participating Canopy Health Medical Groups.

- **Kaiser Permanente HMO:**

Utilizing an integrated-care model, Kaiser Permanente provides care through their own doctors and facilities, including inpatient and outpatient settings, pharmacy, lab, imaging, and other ancillary services.

- **Blue Shield of California Trio HMO:**

A narrow network plan that provides care through a small number of local accountable care organizations (ACOs), a network of doctors and hospitals that share responsibility for providing care to you and your covered dependents.

- **Blue Shield of California Access+ HMO:**

A broad network HMO plan with access to many of the Bay Area's medical groups. The plan includes the ability for members to self-refer themselves to certain specialists.

Preferred Provider Organization (PPO)

A PPO is a medical plan that provides access to a network of health care providers (doctors, hospitals, labs, pharmacies, etc.) known as preferred providers. You pay less when you seek services from preferred providers. However, the plan allows you the option of seeing non-preferred providers, but requires you to pay a higher percentage of the bill.

Generally, when compared to HMO medical plans, PPOs usually result in higher out-of-pocket costs and a deductible will apply to many services. Instead of having a fixed co-pay for medical services, your cost share may vary as a percentage of what the provider charges, known as a “coinsurance”. You will need to pay your plan year deductible prior to paying your coinsurance for the applicable service.

SFHSS offers the following PPO plan:

- **Blue Shield of California PPO**

How To Enroll in Medical Benefits

Eligible full-time employees must enroll in an SFHSS medical plan **within 30 calendar days** of their hire date. SFHSS members may enroll online using **eBenefits** (go to sfhss.org/how-to-enroll to get started) or by completing and submitting an **Enrollment Application form** by fax or mail, along with required eligibility documentation.

If you do not enroll by the deadline, your next opportunity to enroll in benefits is during the next Open Enrollment for coverage the following plan year, or if a **Qualifying Life Event** occurs.

Coverage following a **Qualifying Life Event** will start the first day of the coverage period following receipt and approval of required eligibility documentation.

Vision Plan Options

SFHSS offers two vision plans for members and dependents who are enrolled in a SFHSS medical plan. Vision coverage is provided through Vision Service Plan (VSP).

Vision Service Plan - Basic

The VSP Basic Plan is included with enrollment in all SFHSS medical plans. Members are eligible to a vision exam once a year, and either one set of contacts or a pair of eyeglasses frame/lenses every other calendar year. Eligible dependent children are covered in full for polycarbonate prescription lenses.

Vision Service Plan - Premier

Members may buy-up to the VSP Premier Plan that includes coverage for a new pair of eyeglass frame and lenses or contacts every plan year. The VSP Premier Plan provides a higher allowance for a frame and lenses or contacts. If a member buys up to VSP Premier Plan, and member's dependents will also be enrolled in the VSP Premier Plan.

Accessing Your Vision Benefits

You may go to a VSP in-network or out-of-network provider. In-network providers now include Walmart Vision and Sam's Club. Visit www.vsp.com for complete list of network providers.

To receive services from an in-network provider, contact the provider and identify yourself as a VSP Vision Care member *before* your appointment.

VSP Vision Care will provide benefit authorization directly to the provider. Services must be received prior to the benefit authorization expiration date.

If you receive services from a network provider *without* prior authorization or obtain services from an out-of-network provider (including Kaiser Permanente), you are responsible for payment in full to the provider. You may submit an itemized bill to VSP for partial reimbursement.

Compare the costs of out-of-network services to in-network costs before choosing. Download claim forms at www.vsp.com.

Expenses Not Covered by Plan

- Orthoptics (and any associated supplemental testing), plain (non-prescription) lenses or two pairs of glasses in lieu of a pair of bifocals.
- Replacement of lenses or frames furnished that are lost or broken (except at the contracted intervals).
- Medical or surgical eye treatment (except for limited Essential Medical Eye Care).
- Corrective vision treatments such as, but not limited to, LASIK and PRK laser surgery. You may be eligible for discounts from a VSP doctor.

For more information, please review the Evidence of Coverage at <https://sfhss.org/vsp-vision-plans>

VSP LightCare

Both Basic and Premier plans now include VSP LightCare. Members can choose to use their regular frame allowance for ready-made non-prescription sunglasses or ready-made non-prescription blue light filtering glasses.

VSP Vision Care Member Extras

VSP Vision Care offers exclusive special offers, discounts and rebates on popular contact lenses.

VSP also provides savings on **hearing aids** through **TruHearing®** for members, their covered dependents and extended family including parents and grandparents.

No Medical Plan = No Vision Benefits

If you do not enroll in a medical plan, you and your dependents cannot enroll in VSP Vision Care plans offered through SFHSS.

Additional SFUSD Benefits

Flexible Spending Accounts

Flexible Spending Account enrollment is handled by the **SFUSD Benefits Office**. FSAs can save you money by reducing your taxable income. You can enroll in a Healthcare FSA, a Dependent Care FSA, or both during open enrollment or **within 30 days** of your hire date. Once enrolled, you set aside money pre-tax via payroll deduction to fund your FSA accounts. To receive FSA reimbursements, you must submit documentation to plan administrator **HealthEquity** by required deadlines. For more information, visit [healthequity.com](https://www.healthequity.com).

A **Healthcare FSA** allows each employee to pay for up to \$3,050 per year in qualifying medical expenses pre-tax. Qualifying expenses include medical, pharmacy, dental and vision co-pays and deductibles for the enrolled employee and eligible dependents.

Visit www.healthequity.com/learn/flexible-spending-account for additional information about FSA medical.

A **Dependent Care FSA** can help pay pre-tax for qualifying dependent care expenses up to \$5,000 per household per year. Qualifying expenses include certified day care, pre-school and elder care. Children in day care must be under age 13.

Visit www.healthequity.com/learn/dcfsa for additional information about FSA Dependent Care plans.

Before enrolling in your FSA, you should work out a detailed estimate of the eligible expenses you are likely to incur in 2024. Budget conservatively. Based on new federal law, you may roll forward up to \$610 in unused funds in your Healthcare FSA year over year.

Any unreimbursed Healthcare FSA funds in excess of \$610 are forfeited at the end of the plan year and cannot be returned to you. Dependent Care FSA does not qualify for rollover. FSA expenses must meet Internal Revenue Service criteria:

- [irs.gov/forms-pubs/about-publication-502](https://www.irs.gov/forms-pubs/about-publication-502)
- [irs.gov/forms-pubs/about-publication-503](https://www.irs.gov/forms-pubs/about-publication-503)

Note: With an FSA your taxable income will be reduced for Social Security purposes so there may be a corresponding reduction in Social Security benefits.

Additional Voluntary Supplemental Benefits

Visit the SFUSD website at sfUSD.edu or email the **SFUSD Benefits Office** at benefits@sfUSD.edu for a list of additional voluntary supplemental benefit programs available through SFUSD. Commuter transit and parking accounts are also available and allow you to use pre-tax funds to pay for public transit commuting costs.

Qualifying Life Events Allow You to Change Your Existing Benefits Within 30 Days Outside of Open Enrollment

Certain life events count as a **Qualifying Life Event** where you can modify your benefit elections. Submit your elections and upload all required documentation online using **eBenefits**, which you can access under **Employee Links** on the City's Employee Portal. Visit sfhss.org/how-to-enroll to get started. **Your elections and documents are due no later than 30 calendar days after the qualifying event occurs.**

New Spouse or Domestic Partnership

You may enroll a new spouse or domestic partner and eligible children of the spouse or domestic partner to your current benefits through **eBenefits** via the San Francisco Employee Portal.

Visit sfhss.org/how-to-enroll to get started. Be sure to upload copies of your certified marriage certificate, certificate of domestic partnership and birth certificate for each child. You must add your new dependents and submit copies of the required documents **within 30 days** of the legal date of the marriage or partnership through **eBenefits** or via fax or mail by completing an application form. Certificates of domestic partnership must be issued in the United States. A Social Security number must be provided for each new family member. Proof of Medicare is also required for a domestic partner who is Medicare-eligible due to age or disability. Coverage for your spouse or domestic partner is effective the first day of the coverage period following receipt and approval of required documentation.

Newborn or Newly Adopted Child

Coverage for an enrolled newborn child begins on the child's date of birth. Your election and required documents must be submitted **within 30 days** of the birth or date of legal adoption. Coverage for an enrolled adopted child will be effective on the date the child is placed.

SFHSS provides a one-time benefit reimbursement of up to \$15,000 to an eligible employee or eligible retiree for qualified expenses incurred from an eligible adoption or eligible surrogacy. For more details, visit sfhss.org/surrogacy-and-adoption.

A Social Security number must be provided to SFHSS **within six months** of the date of birth or adoption, or your child's coverage may be terminated. Use **eBenefits** to submit documentation and enroll online.

Legal Guardianship or Court Order

A dependent may be added to your existing benefits if it is required by court order. Coverage for a dependent under legal guardianship or court order shall be effective the date of the court order, if all documentation is submitted to SFHSS by the **30-day deadline**. Use **eBenefits** to submit documentation and enroll online.

Divorce, Separation, Dissolution, Annulment

A member must **immediately** notify SFHSS and provide documentation in writing when the legal separation, divorce, final dissolution of marriage, or termination of domestic partnership has been granted. Coverage of an ex-spouse, stepchildren, domestic partner and children of domestic partner will terminate on the last day of the coverage period of the event date. Use **eBenefits** to submit documentation and dis-enroll any former dependent(s) online.

Loss of Other Health Coverage

SFHSS members and eligible dependents who lose other health care coverage may enroll **within 30 days** in SFHSS benefits. Once required proof of loss of other health coverage documentation is submitted to and processed by SFHSS, coverage will be effective on the first day of the next coverage period. Use **eBenefits** to submit documentation and enroll online.

Obtaining Other Health Coverage

You may waive SFHSS coverage for yourself or a dependent who enrolls in other health coverage by providing proof of alternate coverage on official letterhead **within 30 days** of the event. If you waive coverage, all coverage for enrolled dependents will also be waived. After submitting the required documentation, your SFHSS coverage will terminate on the last day of the coverage period. Use **eBenefits** to submit documentation and update your elections online.

Moving Out of Your Plan's Service Area

If you move your residence to a location outside of your plan's service area, you can enroll in an SFHSS plan that offers service where your new address is located. Coverage will be effective the first day of the coverage period following receipt and approval of required documentation. Please note that if your new residence remains within your current SFHSS plan's service area, you cannot enroll in a different SFHSS plan, as a result of the change in residence.

Death of a Dependent

In the event of the death of a dependent, notify SFHSS as soon as possible and submit a copy of the death certificate **within 30 days** of the death to disenroll the deceased dependent.

Death of a Member

In the event of a member's death, the **surviving dependent** or **survivor's designee** should contact SFHSS to obtain information about eligibility for survivor health benefits. Upon notification, SFHSS will mail instructions to the spouse or partner, including a list of required documents for enrolling in surviving dependent health coverage. If the deceased member qualifies for retiree benefits, the **surviving dependent** may be eligible to continue existing benefits or will have to take COBRA. A surviving spouse or partner who is not enrolled in the deceased member's health plan at the time of the member's death may be eligible for coverage, but must wait until the Open Enrollment period to enroll.

Changing FSA Elections or Dental Enrollment

Please contact the **SFUSD Benefits Office** to make any changes to your FSA enrollment. Dental plan changes can be entered in **EMPowerSF** directly via Employee Self-Service. Please visit SFUSD's employee intranet (www.sfusd.edu) for instructions on making changes to your dental plan and to view the EMPowerSf Employee Self-Service Guide.

Responsibility for Premium Contributions

Changes in coverage due to a qualifying event may change premium contributions. **Review your paycheck to make sure premium deductions are correct. If your premium deduction is incorrect, contact SFHSS.** You must pay any premiums that are owed. Unpaid premium contributions will result in the termination of coverage.

Failure to notify SFHSS of your dependent(s) ineligibility can result in significant financial penalties equal to the total cost of benefits and services provided to ineligible dependent(s).

COBRA and Covered California

COBRA

Under the federal Consolidated Omnibus Budget Reconciliation Act (COBRA), employees without holdover rights, or whose holdover rights have ended, may be eligible to continue medical, dental and vision coverage for themselves and eligible dependents at the employee's expense. Current year FSAs (Flexible Spending Accounts) may also be COBRA-eligible. For Cobra information, visit padmin.com or call **(800) 688-2611**.

Employees may elect to continue healthcare coverage through COBRA if coverage is lost due to:

- Voluntary or involuntary termination of employment (except for gross misconduct)
- Hours of employment reduced, making employee ineligible for employer health coverage

Covered spouses or domestic partners may also elect to be covered under COBRA if coverage loss is due to:

- Voluntary or involuntary termination of the employee's employment (except for misconduct)
- Divorce, legal separation, or dissolution of domestic partnership from the covered employee
- Death of the covered employee

Covered dependent children may elect COBRA coverage if healthcare coverage is lost due to:

- Loss of dependent child status under the plan rules
- Voluntary or involuntary termination of the employee employment (except for misconduct)
- Hours of employment reduced, making the employee ineligible for employer health coverage
- Parent's divorce, legal separation, or dissolution of domestic partnership from the covered employee
- Death of the covered employee

COBRA Notification and Election Time Limits

If an employee and any enrolled dependents lose SFHSS coverage due to separation from employment, P&A Group will notify the employee of the opportunity to elect COBRA coverage. The employee or dependent has **60 days** from the COBRA notification date to complete enrollment and continue coverage. Coverage will be retroactive to the date of the COBRA-qualifying event, so there is no break in coverage. Employee coverage ends on the last day of the coverage period in which employment terminates. However, if the termination date falls on the first day of the coverage period, coverage ends that same day. If an enrolled dependent of an employee loses coverage due to divorce, dissolution of partnership, or aging out, the employee or dependent must notify P&A Group **within 30 days** of the qualifying event and request COBRA enrollment information.

Paying for COBRA

It is the responsibility of covered individuals enrolled in COBRA to pay required healthcare premium payments directly to P&A Group. **COBRA premiums are not subsidized by the employer.**

Duration of COBRA Continuation Coverage

COBRA coverage is generally available for a maximum of 18 months. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a coverage extension for up to 36 months. Employees and dependents who are eligible for less than 36 months of federal COBRA may also be eligible for Cal-COBRA. Continuation coverage under both federal and California state COBRA will not exceed 36 months.

Employees who are disabled on the date of their qualifying event, or any time during the first 60 days of COBRA coverage, are eligible for 29 months of coverage. Beginning the 19th month of coverage, the cost will rise to 150% of group rate.

Employee premium contributions are deducted from paychecks biweekly, for a total of 21 payroll deductions. Employee premium deductions from January to June include an additional premium amount to fund benefits coverage during summer break. During summer break, when no paychecks are received, benefits coverage will continue as long as all summer premium contributions have been funded.

If you take an approved unpaid leave of absence, you must pay SFHSS directly for the premium contributions that were previously deducted from your paycheck. Employee premium contributions are due no later than the pay date of the benefits coverage periods above.

Planning For Retirement

Different premium contribution rates apply for Civil Service Classified employees hired *after* January 9, 2009, based on eligibility and years of credited service with City employers.

Credited Years	Credited Service	% of Employer Premium Contribution
5 years	With at least 5 years but less than 10 years of credited service.	The retiree member must pay the full premium rate and does not receive any employer premium contribution.
10 years	With at least 10 years but less than 15 years of credited service.	The retiree will receive 50% of the total employer premium contribution.
15 years	With at least 15 years but less than 20 years of credited service.	The retiree will receive 75% of the total employer premium contribution.
20+ years	With 20 or more years of credited service, or disability retirement.	The retiree will receive 100% of the total employer premium contribution.

Transitioning to Retirement

Enrollment in Retiree Benefits Does Not Happen Automatically

If eligible, you must elect to enroll into retiree health coverage. Get started by visiting sfhss.org/planning-to-retire.

Contact SFHSS **three months** before your retirement date to learn about enrolling in retiree benefits at (628) 652-4700 or to schedule a retiree appointment visit sfhss.org/planning-to-retire. Setting a retirement date at the end of the month will help avoid a gap in SFHSS coverage.

You are required to notify SFHSS of your retirement, even if you are not planning to elect SFHSS coverage on your retirement date.

Medicare Enrollment

All retirees and dependents, who are *Medicare-eligible* due to age or disability when you retire, are required to enroll in Medicare **three months** before your retirement.

Failure to enroll in Medicare when eligible will result in penalties, limitations in retiree member coverage and the termination of retiree dependent coverage.

Active Employee Medicare Enrollment

If you are working and eligible for SFHSS health coverage at age 65 or older, you are not required to enroll in Medicare.

If you enrolled in Medicare Part A prior to your planned retirement, then you must contact the Social Security Administration **and enroll in Medicare Part B three months before your retirement or leave City employment.**

If you are over age 65 and not enrolled in both Medicare Part A and Part B upon retirement, you may be charged penalties by Medicare and you will be enrolled in **Blue Shield of California PPO 20.**

Retiree Premium Contributions

If you choose to continue medical and/or dental coverage through SFHSS after you retire, your retiree premium contribution may be higher than your active employee contributions. Health premium contributions will be taken from your pension check. **If your monthly premium contributions are greater than your pension check, you must contact SFHSS to make payment arrangements.**

If you take a lump-sum pension distribution, your retiree healthcare premium contributions will not be subsidized and you will pay the full cost of your monthly healthcare premiums.

Contact Employee Assistance Program (EAP)

Before you select your retirement date, make an appointment with EAP to help you plan for a meaningful retirement. Address any personal or life changes to ensure your retirement years are the best they can be. Contact EAP at **(628) 652-4600.**

All Health Service Board accomplishments are presented at the Health Service System monthly public meetings. Board meetings are held in San Francisco City Hall and publicly broadcast with the support of SFGov TV and online via the WebEx platform. Regular Board meeting recording archives are available on the [SFGovTV Health Service Board meeting webpage](#).

Continued Hybrid Meetings

The Governor announced that the statewide emergency declared on March 4th, 2020, ended on February 28th, 2023. Beginning March 1st, 2023, the statewide emergency ended and the Mayor's Office terminated the San Francisco emergency orders regarding public meetings. While not required by State or Local public meeting laws, policy bodies were advised to provide additional time-limited remote public comment for members of the public who are not requesting accommodation under Federal ADA laws. The Health Service Board decided to continue a hybrid meeting format recognizing that an additional time-limit allowance for public comment facilitates public and member engagement.

Updated Policies and Procedures

The Governance Committee initiated a policy review in December 2022 and the full Board approved updates to Health Service Board Governance Policies and Terms of Reference on January 12, 2023. The Board unanimously re-elected Randolph Scott as Health Service Board President and Mary Hao as Health Service Board Vice President to serve July 2023-June 2024. The Board completed its annual self-evaluation in December 2022 having worked with the Health Service Board Governance Committee to review the results and prepare the final report which was presented to and approved by the full Board at the March 9, 2023, regular meeting. The Board completed the Annual Employee Performance Evaluation on March 23, 2023.

Board Education

The Board completed training on Health Insurance Portability and Accountability Act (HIPAA), Health Plan Design as well as Transgender 101: Strengthen Your Commitment to Inclusion. The Board also reviewed two presentations on Healthcare Cost Influencers and Trends during the February-June Rates and Benefits cycle.

The full Board approved the Health Service Board Education Plan 2023-2025 to align with the San Francisco Health Service System Strategic Plan. Health Service Board goals include 1. Fiduciary Duty, 2. Health and Welfare Plan Design and Funding,

3. Benefits Administration, 4. General Provisions on Governance, Legislative and Regulatory Changes, Actuary Services, and Required City-Wide Commissioner Training.

Health Service Board Approval on 2024 Plan Year Benefit and Plan Enhancements

The Board monitored the healthcare costs and trends throughout the annual rates and benefits approval cycle and approved the rates and benefits below. Ultimately rates did increase across plans. A rate increase of 3.7% for Health Net CanopyCare HMO.

Patient Protection Provider Choice Notice

Participating SFHSS HMO plans require the designation of a primary care provider (PCP).

You have the right to designate any primary care provider who participates in the health plan's network and who is available to accept you or your family members.

Until you make a PCP designation, the HMO insurance provider you elect may designate one for you.

For information on how to select a PCP, and for a list of the participating PCPs, contact your health plan or visit their website.

Children's Health Insurance Program (CHIP), Premium Assistance Under Medicaid Notice, and HIPAA Special Enrollment Notice

Medicaid or Children's Health Insurance Program (CHIP)

If you or your children are eligible for **Medicaid** or **CHIP** benefits and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their **Medicaid** or **CHIP** programs. If you or your children aren't eligible for **Medicaid** or **CHIP**, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in **Medicaid** or **CHIP**, contact your State **Medicaid** or **CHIP** office to find out if premium assistance is available.

For a complete list and contact information of states participating in the **CHIP** and **Medicaid Assistance** program, visit sfhss.org/CHIP.

If you or your dependents are NOT currently enrolled in **Medicaid** or **CHIP**, and you think you or any of your dependents might be eligible for either of these programs, contact your State **Medicaid** or **CHIP** office or dial **(877) 543-7669** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

This is called a *special enrollment opportunity*, and **you must request coverage within 60 days of being determined eligible for premium assistance.**

If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **(866) 444-3272**.

However, you must request enrollment **within 30 days** after you or your dependent's other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

! Medicare Creditable Coverage

Medicare Part D Prescription Drug Notice

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with San Francisco Health Service System (SFHSS) and about your options under Medicare's prescription drug coverage.

This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. SFHSS has determined that the prescription drug coverage offered by the health plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th. However, if you lose creditable prescription drug coverage, through no fault of your own, you will be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare Drug Plan.

What Happens To Your Current Coverage If You Decide To Join A Medicare Drug Plan?

If you do decide to join a Medicare drug plan, your SFHSS coverage will be affected. Benefits will not be coordinated with a Medicare Part D plan. If you do decide to join a Medicare drug plan and drop your SFHSS prescription drug coverage, be aware that you may not be able to get this coverage back (does not apply to active employees or dependents).

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your coverage with SFHSS and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without prescription drug coverage that's at least as good as Medicare's prescription drug coverage, your monthly premium may go up by at least 1% of the base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without coverage, your premium may consistently be at least 19% higher than the base beneficiary premium.

You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following Open Enrollment period in October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage

Contact SFHSS at **(628) 652-4700** for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, or if this coverage through SFHSS changes. You also may request a copy at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. If Medicare-eligible, you'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage, visit [medicare.gov](https://www.medicare.gov) or call your **State Health Insurance Assistance Program** (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help. They can be reached at **(800) MEDICARE (800-633-4227)**. TTY users should call **(877) 486-2048**.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information, visit Social Security at [ssa.gov](https://www.ssa.gov) or call **(800) 772-1213**. (TTY: **(800) 325-0778**).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and whether or not you are required to pay a higher premium (a penalty). Visit sfhss.org/creditable-coverage for more details.
